

KLA Board Meeting Agenda for June 6, 2022

I. Welcome and Introductions

8:30 a.m. - Guest Speaker. Jake Shaughnessy, Water Quality Resource Technician, Hubbard County Soil and Water Conservation District (HC SWCD), will give us a brief presentation on several topics of interest that relate to Kabekona Lake and the surrounding area. This will include water quality sampling along the Kabekona Creek and the restoration project. Priority project areas and project types for the Leech Lake River One Watershed One Plan (1W1P). The possibility of setting up a well water drop off day to ensure as many residents as possible can get their water tested for nitrates (I have suggested the possibility of the KLA annual meeting to Jake).
